None-Obligated Countries

Subject to Conditions (see section), this is to certify that **FLIR Systems Trading BVBA**, a member of thinkstep EC4P's Managed Batteries Compliance Services, is not obligated as a Batteries producer under the following regulations:

Latvia

Waste Management Law 473/476 2001 (amended as 51/2008)

Conditions

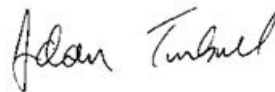

For all FLIR Systems Trading BVBA batteries and accumulators which are captured by the Batteries Directive 2006/66/EC (as amended), FLIR Systems Trading BVBA shall:

- Ensure that all batteries comply with EU single market provisions including, but not limited to: substance restrictions; battery labelling and marking; and design for removability requirements.
- Provide to thinkstep all relevant information that thinkstep may reasonably require to perform the services in such time so as not to delay or disrupt the performance of the Managed Batteries Compliance Services and thinkstep shall be entitled to rely on such relevant information being accurate
